POSSE MEMBERS: you will keep your same work assignments on this stage!

POSSE LEADERS: Keep the action moving- run this stage like any other. Try to accommodate two shooters at once, shooting different banks of targets. Position shooters so brass falls on mat.

PLEASE NOTE that there is a SEPARATE scoring sheet for this stage! Do NOT put scores for Long Range on the regular sheets. Time is not the primary scoring method, hits are. For this stage, the shooter **must** announce his/her caliber choice to the scorer before the stage begins. .22 rifle shooters are scored in repeating or single shot rifle OPEN category, depending on action type. Shotgun Stampede is also scored separately.

Counters count **Hits** only, last shot stops the clock. Time breaks ties in number of hits only. If time allows, shooters may shoot a second gun of a different caliber, but after all shooters have completed their first gun.

*****THIS STAGE IS OPTIONAL!*****
