

PUMPKIN CHUCKIN'

Playing cowboy isn't always about shooting your way out of bar fights, rescuing innocents, or robbing banks. Today's your day off, and Ma and the girls are grinding up pumpkins to boil, to start making pies for tonight's first-class dinner. Turns out the pumpkin harvest was good this year and there are plenty of extras, so you and your buddies quietly gather them and set them up for some target practice behind the barn. The dinner bell just rang, so better hurry up!
